****

Ranking Scale (122 points possible):

Points awarded for ENG 101 / MTH 100 / BIO 103 / CHM 104

(If multiple attempts the highest grade will be used for point assignment)*:

| A = 30 | B = 20 | C = 10 | Below C = 0 |

One point will be awarded for each of the following courses completed with a "C" or better:
- PSY 200
- Humanities or Fine Art elective (3 credit hours)

Course	Grade	Points Awarded
ENG 101		
MTH 100		
BIO 103 or BIO 220		
CHM 104 or higher		
ART/HUM		
PSY 200 or higher		
Total Points Awarded		

*If none of these college level courses have been taken, high school grades will be used. If any of these courses have a college grade, only that course will be used for point assignment.
