

**Addendum to
2018-2019 Student Catalog and Handbook**

Page 14	<u>Transfer of Credit</u> #7 added
Page 26	<u>Veteran's Affairs</u> Update "Policies for Students receiving VA Educational Benefits"
Page 84	<u>Auto Collision Repair Technology Certificate</u> Area III - Add ABR 100 as option
Page 96	<u>Automotive Service Technology Certificate</u> Area III – Add AUM 100 as option Area V – Add AUM 191, 271, 291
Page 100	<u>Construction Technology</u> Name changed from Carpentry to Construction Technology
Page 124	<u>Diesel Technology Certificate</u> Area III – Add DEM 100 as option
Page 127-128 130	<u>Engineering Design Technology</u> Name changed from Drafting and Design Tech to Engineering Design Tech Area V – Add DDT 286, 288, 291 to AAS and Certificate
Page 134-135 137	<u>Electrical Technology</u> Area V – Add ELT 288 to AAS Area V – Add ELT 192, 194, 288 to Certificate
Page 142-143 145-146 148	<u>Electronic Engineering Technology</u> Area V – Add EET 286, 288 to AAS and Certificate
Page 153:	<u>Emergency Medical Services – STC 29 hours</u> Remove ORI 101
Page 155:	<u>General Studies</u> Area I - ENG 201 should be ENG 102
Page 161-162 164	<u>Industrial Automation Technology</u> Area V – Add INT 296, 298 to AAS Area V – Add INT 291, 296, 298 to Certificate
Page 176-180	<u>Mechanical Design Technology AAS and Certificate</u> Area V – Change CET 100 to MDT 100
Page 197-198 200	<u>Precision Machining</u> Area V – Add MTT 286, 288 to AAS Area V – Add MTT 286, 288, 291 to Certificate

- Page 208-213 Court Reporting
Name changed from Realtime Reporting to Court Reporting
- Page 226 Welding Technology Certificate
Area III – Add WDT 100 as option
Area V – WDT 286, 288
- Page 248 Course Description: AUT 118 -Introduction to Engineering Technology
Change prerequisite to: As determined by College
- Page 248 Course Description: AUT 132 – Principles of Technology
Change prerequisite to: EET100, CET 101, AUT 118 or MTH 116 or higher
- Page 254 Course Description: CET 101 – Introduction to Engineering Technology
Change prerequisite to: As determined by College
- Page 261 Course Description: CIS 277 – Network Services Administration
Change prerequisite to: CIS 276
- Page 274 Course Description: EET 100 - Introduction to Engineering Technology
Change prerequisite to: As determined by College
- Page 283-284 Course Description: ENG 101 – English Composition I
Revised Prerequisite: *Successful completion of ENG 098 (Grade C or better) or appropriate placement score.*
- Page 291 Course Description HUM 298 – Directed Studies in the Humanities
Credit hours changed from 3 hours to 1-3 hours
- Page 294 Course Description INT 104 – Principles of Technology
Change Prerequisite to: EET100, CET 101, AUT 118 or MTH 116 or higher
