• SPH 106 – Fundamentals of Oral Communication	3	_____	_____
Total Hours Required for Degree	67		

NOTICE(s): Gadsden State Nursing Program follows the Alabama Community College System nursing curriculum. "Comprehensive Assessment Plan" must be completed.

A grade of less than 75% in any required nursing course constitutes failure. A student may not progress in the program until all nursing courses are successfully completed in the required sequence. A student who has failed any required nursing course for any two semesters can request readmission one time only as a new student within one year of non-progression or reinstatement.

A minimum grade of "C" (70%) is required in each general education course in the program. A student who does not attain a grade of "C" in each general education course by the semester specified in the catalog/website will be dismissed from the program until the course is repeated and the required grade earned. After the required grade is earned, the student may apply for readmission, following the procedure in the catalog/website, www.gadsdenstate.edu. Academic Bankruptcy and course forgiveness may not be applied to NUR courses.

Mobility Students (LPN and Paramedic) will enroll in NUR 209 and upon successful completion may enroll for NUR 211 second semester followed by NUR 221.

If the student wishes to complete the Licensed Practical Nurse (LPN) certificate only, the student must successfully complete NUR 114 and NUR 115. Once NUR 114 and NUR 115 are completed, the student may sit for the NCLEX PN exam.
