Now Accepting Applications for Spring 2023

Admission to the Dental Assisting Program is competitive and the number of students is limited by the number of faculty and clinical facilities available. Meeting minimal requirements does not guarantee acceptance.

Applications due Oct. 31

Scholarships are available for most high-demand technical programs, STEM-related and academic courses.

Dual enrollment permits eligible high school students to enroll in college courses concurrently with high school classes available online, on a Gadsden State campus or at the student's high school. They are earning college and high school credit simultaneously.

Scholarship applications open March 1.
Priority deadline is May 1.

Earn While You Learn

The Alabama FAME Industrial Automation Technology Program at Gadsden State combines cutting-edge curriculum and paid working experience at a world-class manufacturer.

FAME is a partnership between Gadsden State and East Alabama Works! The program leads to an Associate in Science in Industrial Automation Technology after five semesters of instruction that support advanced manufacturing technology. Students also learn highly sought-after principles and best practices in manufacturing industry.
