GADSDEN STATE COMMUNITY COLLEGE

FOWLER RESIDENCE HALL HANDBOOK

This guide to residential living is provided to acquaint you with the opportunities, benefits, and regulations of residential living at Gadsden State Community College. Additional rules and regulations not included in this handbook may be found in the College Catalog and Student Handbook.

<https://catalog.gadsdenstate.edu/>

All residents must be currently enrolled and registered for at least 12 credit hours for fall and spring semesters, and 6 credit hours for mini and summer terms. The administration at Gadsden State realizes that not all individuals can adjust to group living. For this reason, and to safeguard the rights and privileges of the majority of the other students, the College reserves the right to dismiss any student from Fowler Hall when such action is considered advisable.

On-campus living is a very important part of student development, is an extension of the classroom experience, and allows students to enjoy college life to the fullest extent. Residents will become aware of the many varieties in lifestyles and cultures and learn to live and work in these varieties through the means of compromise, consideration, and open-mindedness. Gadsden State challenges students to take full advantage of the many opportunities this experience affords to further their academic and personal development.

Each resident is responsible for becoming familiar with and abiding by the policies and procedures as stated in the handbook. Failure to comply with these policies and rules will result in disciplinary action which could also include expulsion from the Residence Hall. It is expected that residents will cooperate with the Director of Student Life and Residence Hall Staff in maintaining a routine of living that is also conducive to good study habits.

Gadsden State strives to provide a safe environment for students and employees. An annex of the Gadsden State Safety and Security Office is located in the lobby across from the office of the Director of Student Life. Security cameras are located in each hall, each laundry room, the lobby, and at each outside door. Residents are encouraged to maintain a safe environment by notifying the Director of Student Life, Residence Hall Staff, or Safety and Security if they see strangers in the building unaccompanied by a resident or if they notice suspicious behavior.

RESIDENCE LIFE POLICIES

RESIDENT

A resident is a currently enrolled, **full-time student** (12+ credit hours) residing in Fowler Hall.

RESIDENT ELIGIBILITY

The eligibility requirements for a resident are as follows:

Fall/Spring - currently enrolled; must be registered for **12 or more credit hours** and **maintain** full-time status each semester of residency.

Summer - at least **6 credit hours** for mini and summer terms. Any exceptions to the eligibility requirements require approval of the Dean of Student Services. ***Residents are to self-report to the Director of Student Life if enrollment status falls below 12 credit hours at any point during the semester.***

STUDENTS WITH DISABILITIES

Before moving in, students with documented disabilities who are also making reasonable accommodation requests (including transportation requests) are required to inform the Director of Student Life and should contact the ADA Coordinator, Pam Clough (pclough@gadsdenstate.edu) at (256) 549-8462.

REGISTERED SEX OFFENDER

See the college's ***Registered Sex Offender Policy*** located in the GSCC Student Handbook.

<https://catalog.gadsdenstate.edu/registered-sex-offender-notification-policy>

Persons required by law to register as sex offenders (registered sex offenders) will be required to notify Campus Security of his/her intent to enroll and will be required to meet with Campus Security to review the notification procedure and conditions of enrollment. If a registered sex offender registers for classes and becomes a student before the college receives such notification, the student will be immediately informed that he/she is being dropped from classes and will receive a refund of any fees that have been paid.

Gadsden State Community College reserves the right to deny, or revoke the admission of registered sex offenders in accordance with College policy. The College reserves the right to evaluate the circumstances of each case and to refuse admission if it is determined that the applicant is a threat to the safety or security of the College community.

When the College is notified by a corrections or law enforcement agency that a registered sex offender has enrolled or intends to enroll, or a registered sex offender self-reports to a College official, the Safety and Security Committee will determine whether such individual will be allowed to attend classes.

Notification to the College Community will be consistent with any recommendation of an informing law enforcement agency.

DORM APPLICATION / DAMAGE DEPOSIT

In order to be placed on a tentative "waitlist" to receive a dorm room, each prospective dorm resident must complete and submit the "Dorm Application," as well as pay the security/damage deposit fee of \$200 to the GSCC Business Office (refundable at student's exit if there are no damages to dorm room). Completion and submission of the "Dorm Application" and \$200 deposit does not guarantee that a

student will receive a dorm room; it simply puts them on the “waitlist.” Since there are a limited number of rooms in the GSCC Residence Hall, priority is given to students on a “first come-first serve” basis, meaning that the earlier a student submits the “Dorm Application” and \$200 deposit, the better chance they have of receiving a dorm room.

ATHLETIC / INTERNATIONAL PROGRAMS

Student-athletes who are on scholarship to play a sport at Gadsden State, as well as International students, will have priority status in the GSCC Residence Hall. However, the student must complete and submit the “Dorm Application” and the \$200 deposit as listed in the section above.

ROOM KEYS / PASSCODES

If a room key is lost or unaccounted for, the resident should notify the Director of Student Life immediately. The resident will be charged \$40 for re-keying the lock. When a room is vacated, the room key must be turned in to Director of Student Life; if it is not returned, then \$40 will be taken out of the student’s deposit.

PASSCODES

Residents will be given their own unique passcode to unlock the main entrance doors which lead into the Dorm lobby. **This passcode is for the knowledge of the resident only.** If it is found that a resident has shared their passcode with others, (essentially allowing a non-resident to enter the GSCC Residence Hall without permission) disciplinary actions may be taken, including a monetary fine or possible expulsion from the GSCC Residence Hall.

REFUNDS - ROOM & BOARD

Residents who officially request to withdraw from the GSCC Residence Hall **before** the official first day of classes, or during the **first three (3) weeks of the semester/term**, will receive any refund for their room/board payment in accordance with the college refund policy. See the GSCC Catalog/Student Handbook for details. <https://catalog.gadsdenstate.edu/refunds>

Room and Board Refunds

Per Alabama Community College System policy, students who officially withdraw from the residence hall before the official first day of classes or during the first three weeks of the semester/term will receive any refund due on the same basis as listed previously for complete withdrawals.

When a student exits the residence hall, he/she must complete an exit form. The exit form has an area where the student requests a refund of their \$200.00 security deposit. Any tuition, fees, fines, or penalties that are owed Gadsden State will be deducted from the student’s deposit refund. A student who does not owe GSCC any money will have the entire deposit refunded, with the exceptions noted below. A student must return his/her room key and leave the room in a satisfactory condition (free of damage). However, (1) if the room needs cleaning, a cleaning fee will be assessed as required and withheld from the deposit; (2) if the room needs painting, \$100.00 will be withheld; and (3) if the key is not returned, \$40.00 will be withheld. In addition, the student will be charged (4) \$12.00 per night for failing to vacate the room by the stated time (24 hours after the last day of finals); (5) \$12.00 per night for failing to remove personal belongings from the room by the stated time; and (6) \$75.00 if a College official must remove personal belongings from a student’s room. Personal belongings left at the College after 30 days are abandoned and considered the property of the College. If the amount owed exceeds \$200.00, the student will be responsible for paying the balance due.

THANKSGIVING & CHRISTMAS BREAK

The GSCC Residence Hall will be **closed** during Thanksgiving and Christmas break. Residents must check out during this time.

PROPERTY-LOSS / DAMAGE

Gadsden State is not responsible, nor liable, for loss or damage to the personal property of residents. Residents are urged to provide for the security of his/her personal belongings by locking their room and by carrying personal property insurance. This type of insurance is not available through the college. Any loss of personal property should be reported to the Director of Student Life, Fowler Hall Staff, or Safety and Security.

ROOM INSPECTIONS

the GSCC Residence Hall. In case of severe weather warnings, residents should seek safety in the basement floor hallway. Residents requiring assistance during emergency situations should report to the lobby. Residence Hall Staff, or GSCC Safety and Security will provide assistance to safety areas. All residents must stay in the designated area until released by the proper authorities after any emergency or drill.

MOBILITY IMPAIRMENTS

Residents with mobility impairments requiring assistance will be transported to the basement using lift chairs (located at the entrances to both first- floor hallways) during both emergencies and drills. Students with hearing, vision, or mobility impairments will be given preference for first floor occupancy.
